HIGH SCHOOL

Dear Parents/Carers

Headteacher: Mr Paul Halcro

In light of the current school closure and the increase in the number of students working remotely and online, the Department for Education have highlighted some resources for students and parents to keep everyone safe whilst working online.

Staff at the Selston High School will only provide work for students that requires them to access appropriate websites or apps, but despite this, we know that on rare occasions some sites can be compromised.

If you or your child raise any concerns about inappropriate actions online these can be reported to school to ssc@selstonhigh.org.uk. You can also report concerns online using one of the following sites:

UK Safer Internet Centre - <https://reportharmfulcontent.com/>
CEOP (reporting online abuse) <https://www.ceop.police.uk/safety-centre/>

There is also the option for your child to access childline if they have been affected by anything that has happened online <https://www.childline.org.uk>

In addition, there are a number of sites aimed at parents to help them support their child's online activity and keep them safe on line. These recommended sites are:

Internet matters - for support for parents and carers to keep their children safe online
<https://www.internetmatters.org>

London Grid for Learning - for support for parents and carers to keep their children safe online
<https://www.lgfl.net>

Net-aware - for support for parents and careers from the NSPCC <https://www.net-aware.org.uk/>

Parent info - for support for parents and carers to keep their children safe online <https://parentinfo.org/>

Thinkuknow - for advice from the National Crime Agency to stay safe online <https://www.thinkuknow.co.uk/>

UK Safer Internet Centre - advice for parents and carers <https://www.saferinternet.org.uk/advice-centre/parents-and-carers>

Please ensure that you discuss the safe and appropriate use of online working and work with us to help keep your child safe online.

Yours faithfully
